

# UPGRADED SHAFTS TRADE-IN VALUES

Clubs with any of the upgraded shafts listed below (all weights & flexes) will receive an additional trade-in value over and above the buyback price shown. Shafts must be properly installed and in average condition or better to receive the additional value stated. You may also sell just the shaft below (with no head) and receive the trade-in value shown. The shaft must not be damaged in any way. Other shaft models may also qualify for additional value.

**Call 612-216-5205 x2 for questions.**

*Important: To receive additional value for your upgraded shaft, you must write the words "Upgraded Shaft" in the Order Notes section of checkout.*
